MONTAGE / ASSEMBLY INSTRUCTIONS

Le montage doit être effectué par une personne compétente. Un montage mal effectué peut provoquer la chute du produit et blesser quelqu'un. Les vis et rondelles dont le diamètre extérieur doit être de 15mm maximum pour fixer le produit au mur ne sont pas incluses. Adaptez les vis et les chevilles éventuelles au matériau du mur et au poids des objets : model 450 (max. 10kg) model 900 (max. 20kg) model 1350 (max. 30kg). Une fois montée, l'étagère est prévue pour avoir une légère pente vers l'arrière suivant le poids qu'elle supporte. En cas de doute, demandez conseil à une personne spécialisée.

Assembly must be carried out by a competent person. Improper assembly can result in the product falling and causing injury to someone. Screws and washers with a maximum outer diameter of 15mm to fix the product to the wall are not included. Adapt the screws and possible anchors to the wall material and the weight of the objects: model 450 (max. 10kg), model 900 (max. 20kg), model 1350 (max. 30kg). Once assembled, the shelf is designed to have a slight tilt backwards depending on the weight it supports. If in doubt, seek advice from a specialized person.
